Thank you for making us the #1 used car dealer on the Emerald Coast.

You have just found the greatest place on earth to buy a used car, where Nooobody sells for less. We have one of the best selections of used cars on the Emerald Coast. Since 1988 we have maintained an unsurpassed reputation of selling above average condition cars that last. Look for our sticker on the back of cars the next time you're in town. You'll be surprised how many cars have our logo, so ask your friends and neighbors about us.

PLEASE READ!!!

We have 3 locations in town. This website now contains inventory for all three locations. Because we shuffle our inventory, it may be a good idea to find out which location your choice is currently located. Our phone numbers are to the right of this page. If you need help with financing, or need directions to one of our stores use the tabs at the very top of this page. To start shopping for a car [simply click here or the big "INVENTORY" button above.](#)
